

Refer opportunities. Earn with ease.

Turn everyday observations into added commission, without quoting, pitching, or closing deals.

Engineers can earn one-time or recurring commission by referring service needs they notice on-site or through existing customers.

Simply submit the opportunity—Imagit handles the rest. With nationwide coverage, every new location or service line can create added income.

- ✓ **Easy Referrals**
- ✓ **Additional Income**
- ✓ **Nationwide Coverage**

- Refer on-site opportunities for any Imagit service—no quoting or deal handling required.
- Earn one-time or recurring commission on services like Internet, SiAFi, and SLAs.
- Get paid for any client location, even when you support just one site.
- Use Imagit's nationwide coverage to deliver services anywhere customers operate.
- Offer white-label delivery when you want billing to stay under your own company name.
- Submit opportunities in seconds—Imagit handles the rest.

Turn field insight into added income with Imagit's nationwide coverage.
